Providers to Speak Out at Public Senate Hearing

Vermont providers will speak out tomorrow, Thursday, April 8, at a public Senate hearing on the single payer bill, H202. The public hearing is from 6:00pm to 8:00pm in Statehouse Room 11.

This is the last of three public hearings held by The Senate Health and Welfare Committee - they have already heard feedback from Vermont businesses and community members.

You can watch the live video feed on Vermont Public Television's Web site, www.vpr.net, or by clicking [here](#).

MVP will continue to bring you the latest developments on this important issue.
